1. BEFORE YOU PROCEED

Regulations based on the OECD Common Reporting Standard (“CRS”) require Financial Institutions including AXA to collect and report certain information about an account holder’s tax residence. Each jurisdiction has its own rules for defining tax residence, and jurisdictions have provided information on how to determine if you are resident in the jurisdiction on the following website: www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/.

In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). For more information on tax residence, please consult your tax adviser or the information at the OECD Automatic Exchange of Information portal.

If your tax residence (or the account holder, if you are completing the form on their behalf) is located outside Singapore, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to Inland Revenue Authority of Singapore and they may exchange this information with tax authorities of another jurisdiction or jurisdictions pursuant to intergovernmental agreements to exchange financial account information.

As a financial institution, we are not allowed to give tax advice. Your tax adviser may be able to assist you in answering specific questions on this form. Your domestic tax authority can provide guidance regarding how to determine your tax status. You can also find out more, including a list of jurisdictions that have signed agreements to automatically exchange information, along with details about the information being requested, on the OECD Automatic Exchange of Information portal.

You can find summaries of defined terms such as an account holder, and other terms, in the Appendix.

Appendix – Summary Descriptions of Select Defined Terms

Note: *These are selected summaries of defined terms provided to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS), the associated Commentary to the CRS, and domestic guidance. This can be found at the OECD automatic exchange of information portal.*

If you have any questions then please contact your tax adviser or domestic tax authority.

“Account Holder” The term “Account Holder” means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

“Controlling Person” This is a natural person who exercises control over an entity. Where an entity Account Holder is treated as a Passive Non-Financial Entity (“NFE”) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. This definition corresponds to the term “beneficial owner” as described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012). **If the account is maintained for an entity of which the individual is a Controlling Person, then the “Controlling Person tax residency self-certification” form should be completed instead of this form.**

“Entity” The term “Entity” means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

“Financial Account” A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

“Participating Jurisdiction” A Participating Jurisdiction means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard and that is identified in a published list.

“Reportable Account” The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person

“Reportable Jurisdiction” A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place and that is identified in a published list.

“Reportable Person” A Reportable Person is defined as an individual who is tax resident in a Reportable Jurisdiction under the tax laws of that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

“TIN” (including “functional equivalent”) The term “TIN” means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the [OECD automatic exchange of information portal](#).

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
