Combination of medical protection and investment

AXA Mum's Advantage is a combination of two plans, designed to offer reassuring health and financial protection for you as an expectant mother (from as early as 16 weeks into pregnancy) as well as for your baby while still in the womb. This flexible and comprehensive plan offers valuable coverage and investment opportunities that are hard to come by at this particular time of your life.

Mum's Advantage is a convenient two-plan bundle:

(i) **MumCare** helps to ease the cost of treatment arising from possible Pregnancy Complications². Your baby is also ensured guaranteed protection against the 18 listed Congenital Illnesses³. What's more, if you are carrying more than 1 foetus in the same pregnancy⁴ the benefits will apply to each child individually. Both mother and child⁵ also enjoy hospital care benefits.

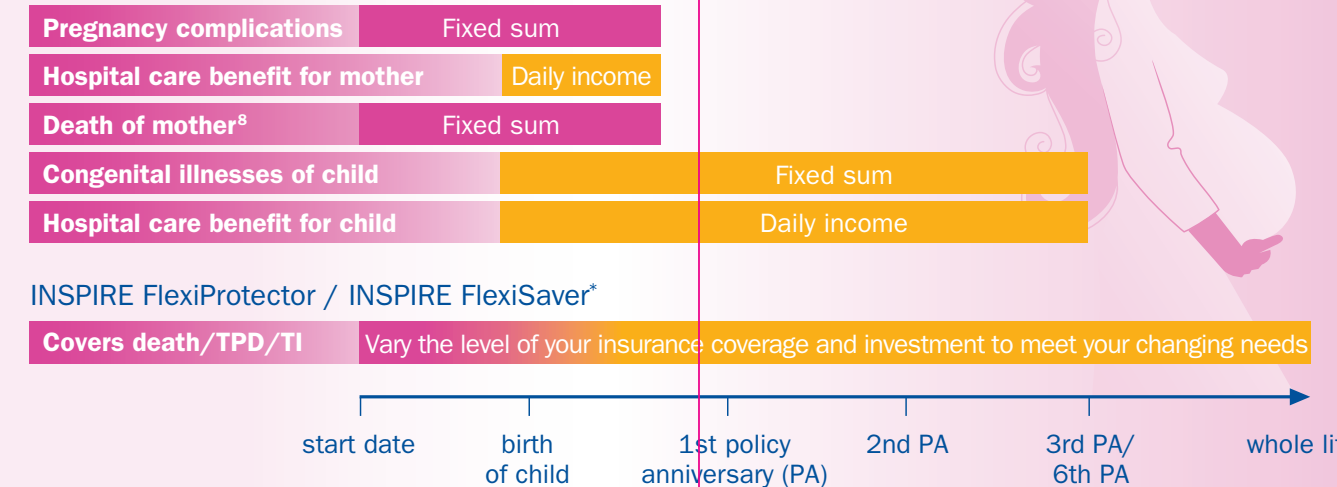

(ii) **INSPIRE FlexiProtector / INSPIRE FlexiSaver** provides a valuable head start in building up savings for your child's future, through investment in our wide variety of funds. INSPIRE FlexiProtector / INSPIRE FlexiSaver also incorporates automatic inclusion of Critical Illness rider⁶ when the policy is transferred into your child's name⁷.

Please refer to INSPIRE FlexiProtector / INSPIRE FlexiSaver brochure for more details.

With Mum's Advantage you can be confident that your child will be well protected both before and after birth.
