Footnotes

1. Capital is guaranteed (inclusive of Total and Permanent Disability Multiplier rider) at the Selected Retirement Age. Premiums on optional riders are not included.

2. Based on an 18-year-old male, non-smoker, who selected a single premium term, a retirement age of 70 years, a lifetime payout period, and a level payout at an illustrated investment rate of return of 4.75%, the total yield at maturity is non-guaranteed. For an illustrated investment rate of return of 3.25%, receive a non-guaranteed total yield of up to 3.35% p.a. at the end of your retirement plan.

3. Total and Permanent Disability Multiplier rider is a packaged benefit to the basic plan. Upon diagnosis of total and permanent disability before the Selected Retirement Age, an additional amount equivalent to 5 times of the first guaranteed retirement income will be payable. This applies to both Level and Inflated Payout type.

4. Premium Waiver (CIUN), Premium Waiver (UN) and Premium Eraser Total are optional riders attachable to AXA Retire Happy Plus. In the illustrative example, Premium Waiver (CIUN) rider is attached to the basic plan. Refer to the product summaries for more information.

5. AXA Retire Happy Plus is a guaranteed issuance offer plan and does not apply to optional riders.

6. Based on an illustrated investment rate of return of 4.75%. Based on an illustrated investment rate of return of 3.25%, the yearly non-guaranteed retirement income is $6,480 and the total illustrated retirement income is $588,923.08.

7. Figures are rounded to the nearest number and based on annual premium frequency.

Important information

AXA Retire Happy Plus is a plan underwritten by AXA Insurance Pte Ltd. This brochure is not a contract of insurance. The precise terms and conditions of the plan are specified in the policy contract.

A product summary is available and may be obtained from AXA Insurance Pte Ltd and the participating distributors’ offices. You should read the product summary before deciding whether to purchase the policy.

Buying a life insurance policy is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value payable may be less than the total premiums paid.

This brochure is published for general information only and does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person. You may wish to seek advice from a financial adviser before making a commitment to purchase the product. In the event that you choose not to seek advice from a financial adviser, you should consider whether the product in question is suitable for you.

The insurance policy featured in this brochure is protected under the Policy Owners’ Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you should you buy the policy. For more information on the types of benefits that are covered under the Policy Owners’ Protection Scheme as well as the limits of coverage, where applicable, please visit the AXA website at www.axa.com.sg or visit the LIA or SDIC websites (www.lia.org.sg or www.sdic.org.sg) for a copy of the SDIC Guide on PPF Scheme (Life Insurance).
