Important information

This brochure is not a contract of insurance. The precise terms and conditions of the plan are specified in the policy contract.

A product summary is available and may be obtained from AXA Insurance Pte Ltd and the participating distributors' offices. You should read the product summary before deciding whether to purchase the policy.

Buying a life insurance policy is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value payable may be less than the total premiums paid.

Investments in investment-linked policies are subject to investment risks including the possible loss of the principal amount invested. The value of the units in the investment-linked policy ("ILP") sub-fund and the income accruing to the units, if any, may fall or rise. You should read the product summary and the product highlights sheet ("PHS") before deciding whether to subscribe for units in the ILP sub-fund. The product summary and the PHS may be obtained from a financial consultant representing AXA Insurance Pte Ltd.

The brochure is for general information only and does not have any regard to your specific investment objectives, financial situation and any of your particular needs. You may wish to seek advice from a financial consultant before making a commitment to purchase the product. In the event that you choose not to seek advice from a financial consultant, you should consider whether the product in question is suitable for you.

The insurance policy featured in this brochure is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you should you buy the policy. For more information on the types of benefits that are covered under the Policy Owners' Protection Scheme as well as the limits of coverage, where applicable, please visit the AXA website at www.axa.com.sg or visit the LIA or SDIC websites (www.lia.org.sg or www.sdic.org.sg) for a copy of the SDIC Guide on PPF Scheme (Life Insurance).
